

DRILL & CUT MACHINE

WE BUILD MACHINES THAT WORK THE WAY **YOU WISH** THEY WOULD.

The Drill and Cut Machine is designed to drill holes and cut weather strip lengths with precision. Depending on customer needs, we have a variety of Drill and Cut Machines, with different features. Our sales engineer will take the time to listen to your needs and give you the best advice on what you need. Safe, easy to use and made to last, Milan Conception's Drill and Cut Machine is the kind of product you want to own. With one Drill and Cut Machine, you can handle many profiles of extrusion and drill holes of different shapes in just a few minutes.
